: Court Remand Protocol Declaration

Let the record reflect that this court has failed to rebut lawful ecclesiastical jurisdiction, has engaged in dishonor, and has no standing to proceed against a private trust or living man.

Accordingly, I hereby remand this matter into ecclesiastical jurisdiction for review, correction, and closure.
This court is now estopped from further action without commercial liability and rebuttal under penalty of perjury.

The bailiff is now witness. This notice is entered into record under divine and sovereign authority.
